

Friends of Excelsior Springs Memorial Airport

WE'RE BACK!

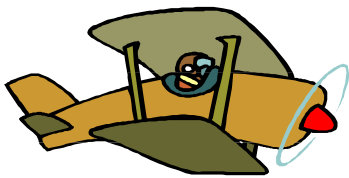

I am sure that all of you have been wondering what in the world has been going on at the airport in Excelsior Springs! That is the whole purpose of this newsletter!

As some of you know, Excelsior Springs Memorial Airport **WAS** in danger of being closed! There are some of us that just simply couldn't tolerate that so we decided to do something about it! We went up against City Hall so to speak and you wouldn't believe the results! Excelsior Springs Memorial Airport **IS** open and running and turning over a profit! Perhaps a small one at this time but a profit none the less.

What we need is a LOT more activity. Most of you are aware of all the events that have occurred at the airport in the past and those events are planned to continue along with some added events that will be just as or more interesting than ever. Of course, the Kiwinis fly-in breakfast will again be held at the airport during Gatsby Days. The group that has been loyal to the cause of keeping our small but very important airport open and operating would like to invite you to join us in forming a FRIENDS OF EXCELSIOR SPRINGS MEMORIAL AIRPORT (FOESA) group.

READ ON FOR ALL THE EXCITING DETAILS!

WHAT DO WE HAVE PLANNED FOR THE FUTURE?

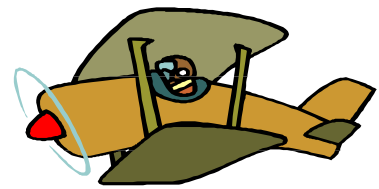

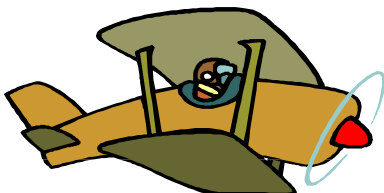

We have a lot of projects planned for the near future. We would love to see more people who want to support the airport as much as we do involved in all the excitement!

Probably the first on the agenda will be getting everyone together for some food and fun! We all like that sort of thing! And this will also be a wonderful opportunity for everyone to meet everyone else and find out about all the exciting events that will be going on around here!

On February 25th at 3:00p.m. we will all be at the airport to lay down a plan of attack for the various events that will be going on at the airport this year! We really would like you to come up and meet everyone and enjoy some good food and good conversation. Please bring some munchies to share!

After that, we plan to have a get together of some sort about every 4-6 weeks.

DO YOU REALLY WANT TO MISS OUT?!

PAINTING PARTY!

We need to have a painting party!

We need to have a cook out and painting party and get our airport looking more spiffy! If you would like to be in on the planning of that, then we want you to come up on the 25th of February and help us get it all together. A painting party with the people who have been involved with the airport for a while is guaranteed to be a great time!
