New Pilots

The Friends would like to extend congratulations to 2 new pilots. Dave Freeman and Jeff Mayfield, students of Ed Holloway, recently passed their written exams and check rides. They are now officially pilots!

Again, congratulations and fly safe!

Friends Will Have Booth at Waterfest

At the July meeting of FOESA, it was decided that we should have a booth at Waterfest the weekend of September 7th and 8th.

The booth will definitely offer information about the airport and FOESA. It could also offer airport and/or FOESA related materials for sale to raise money for operations, projects, or improvements. We hope that all of you will stop by and spread the word to others to stop by and say hello and support the airport.

There are some members of the group who have been generous enough to offer to explore our options for souvenirs and t-shirts that we would be able to sell to raise funds. There have been a lot of people ask when we were going to develop a t-shirt. We are close! Soon, all of us will be able to purchase a t-shirt and show off to everyone that we support the airport!

Thanks to a Special Supporter!

We would like to take this opportunity to thank Dr. Emerson Ireland for his generous \$100 donation to FOESA. This donation will help cover the cost of materials and postage to get the newsletter to all of you!

So the next time you see Dr. Ireland, please extend your thanks also. It's generous people like Doc that help us keep things going and keep all of you informed of happenings here at the airport.

Garage/Bake Sale Planned

Fundraising was a hot topic at the July FOESA meeting. A garage and bake sale is in the planning stages. This event will take place on September 15.

Donations to the garage sale are now being accepted. Please help us out on this! We all have stuff around that we have thought we should probably get rid of. Put it to good use; donate it to FOESA for the garage sale! Clean out those closets, neaten that garage or shed! Gotta do it sometime anyway! Contact Pam Gentry to drop off donations. You can find her phone number and e-mail address in the contact information in this newsletter.

Zora Baldwin will be coordinating the Bake Sale. In case you haven't heard, she bakes the most delicious bread that your taste buds have ever experienced! Think you have a recipe for bread, cookies, cake, or some other baked goodies that you want to show off? Let Pam know that you want to bake something for the sale and she will pass this information on to Zora. We hope to see a lot of participation from the group on this project.

We have high hopes for the future and some of those hopes need financial support. Please support the airport that we have all fought so hard to keep!

Contact Information

Have ideas, comments, suggestions, something you would like to announce? Give one of us a call or drop us an e-mail and we'll do our best to get it into the newsletter.

We look forward to hearing from you!

Prop wash

The animals soon learned to stay out of the barn when they heard the propeller coming.

Painting Party

Just to remind all of you, we are having the painting party on Saturday, August 4. We will have food there and plenty to drink. We have also been loaned a very large shop fan to put in the hangar to help keep everyone cool. Yeah, it will probably be hot, but if there are enough of us helping, it won't take very long to get finished!

There have been a few RSVPs but not many. Come on everyone, bring your scrapers and brushes and come out for a little while and help out! Someone will definitely be there by 7 or 8 in the morning so we can get started early.

Please remember to let either Pam or Cindy know that you will be there so we have an accurate count as possible for food and drinks. You can either call or e-mail and let them know.

We would like to see participation and activity to show support up there Saturday.

We look forward to seeing those of you who have sent messages that you will be there. And a GREAT BIG THANKS!

Oh, don't tell them where you heard it, but it's also Art and Pam's wedding anniversary on the 4th. Who knows, there may be some sort of celebration!
